## Your 18th birthday is around the corner

Hello Smart Teen,

It has been an awesome ride with you on board the Smart Kids Save Account.

Now that you are 18, we are upgrading your account to a GTSave account, which will give you total control over your finances. Here's what you need to know about your new account:

- It's a Savings account that bears interest; which means that the more you save, the more you earn.
- You get a naira MasterCard which allows you withdraw cash at ATMs nationwide and shop online and in stores, anywhere in the world.
- You also get free access to all our banking channels including our Internet Banking and GTworld

To begin using your GTSave Account, you have to complete the account upgrade process by submitting the following documents at a GTBank branch near you:

- A copy of your ID card (Int'l Passport or Drivers Licence or National I.D. card or any other coloured photo ID)
- A copy of a recent utility bill (issued within the last three months)
- One passport photograph
- Completed SKS Teen Account Update Form

We look forward to banking with you as an adult.
