Your 18th birthday is around the corner

Hello Smart Teen,

It has been an awesome ride with you onboard the Smart Kids Save Account.

Now that you are 18, we are upgrading your account to a GTSave account, which will give you total control over your finances. Here's what you need to know about your new account:

- It's a Savings account that bears interest; which means the more you save, the more you earn.
- You get a Naira MasterCard upon your request which allows you to withdraw cash at ATMs nationwide and shop online and in stores, anywhere in the world.
- You also get free access to all our banking channels including our Internet Banking and GTWorld.

To begin using your GTSave Account, you have to complete the account upgrade process by submitting the following documents at a GTBank branch near you:

- A copy of your ID card (National ID (NIN) or Int'l Passport)
- A copy of your utility bill issued within the last 3 months if your address has changed
- One passport photograph

We look forward to banking with you as an adult.
