

## How to Initiate a Premium Advance

### Internet Banking

**Premium Advance:** This product is designed to grant over draft facility to high net-worth customers via their cards.

#### To start

- Log on to Internet Banking platform with your **User ID/Email** and **Password**
- Click on **Quick loans >> Premium Advance**
- Review the displayed **“Terms and Conditions”**
- Select **“New request”**
- Complete relevant details in the displayed form
- Enter the **“Answer to your secret question”** and click **“Continue”**
- Enter the code generated from hardware token or generate a soft token by dialing \*737\*7# using your registered mobile number, to complete your request for the facility.

**N.B:** This is available to platinum 2 customers and existing Max plus customers

**Timeline: Immediately**
